

What's the vibe at Endeavour Harmony Chorus?

Our vision is simple: we inspire a love of singing in each other and our community. We are a high-performance team where you can learn, grow, and achieve something incredible together.

Who is this for?

Everyone. We have members from all walks of life—students, new mums, teachers, scientists, and retirees. If you love singing, enjoy a challenge, and want to find your tribe, you belong here.

Do I need to be a pro or read music?

- **Reading Music:** Not a requirement! While useful, we provide audio learning tracks and sheet music to help you master your part.
- **Experience:** Whether you are an experienced vocalist or a "raw beginner," we have a place for you. Many of our vital members started with zero experience.
- **The Audition:** Everyone follows the same process. It includes singing a song (not as a soloist!) and a simple dance routine to see how you move and express yourself.

What exactly is the "Barbershop" style?

It's a *cappella* (voices only) with a unique four-part harmony.

- **Tenor:** The high, light harmony above the melody.
- **Lead:** Usually carries the melody.
- **Baritone:** Weaves harmony above and below the lead.
- **Bass:** The rich, low foundation of the sound.
- **Performance:** We don't hold music on stage. We use movement and physical expression to authentically tell a story.

What is the commitment?

To keep our sound "gold-medal" ready, we look for members who:

- **Show up:** Attend Tuesday evening rehearsals consistently.
- **Level up:** Practice at home to learn music and visual plans by their deadlines.
- **Stay Positive:** Bring a "self-starter" attitude and a willingness to try new things.
- **Inclusion:** Promote diversity and treat everyone with respect.

How much does it cost?

Think of your membership as an **all-access pass** to professional vocal coaching, expert workshops, and all your learning resources.

- **Try Us:** Join our 6-week New Member Program for just **\$100** (**\$80** if you're under 25).
- **Standard Membership:** \$220 joining fee + \$65/month.
- **Under 25s:** \$145 joining fee + \$35/month.

Will I get to perform?

Yes! We perform throughout the year and put on a major annual show. We also head to the National Competition every 2–3 years (usually in May) and sometimes compete in the Sydney Eisteddfod. There are even opportunities for overseas travel!

What should I bring to rehearsal?

- **Gear:** A water bottle, your smartphone (to record), and your name badge.
 - **Outfit:** Comfortable, loose-fitting clothes and flat shoes.
 - **Pro-Tip:** Eat a light meal before you come and bring water with you.
 - **Note:** Please stay "scent-free"—no perfume or scented hairspray, as it can affect fellow singers.
-
